## Important to know

A 4 month waiting period applies for all Immediate Dependants and 6 months for Extended Dependants in the event of natural death. No waiting period for accidental death on all plans. Conditional upon the first premium being paid.

No new waiting period where the policy serves as a replacement of an existing similar policy.

Premiums will not change for the first 12 months unless there are reasonable actuarial grounds to do so. Any change carries a 31 day notice period.

Death as a result of suicide is excluded for the first 12 months of the policy.

Entry Age is 18 - 65 years for Immediate policies, and up to 85 years for Extended policies.

\*Child Dependants can be covered up to the age of 25 years if a registered full-time student.
